So frustrating when you're stuck on a particular area, but when you get past it, you feel like you've accomplished something! A bit shorter than I'd hoped for, but good fun! Worth giving this a chance!. Controls are terrible and there are spots where you get stuck and have to start from the beginning. Would be fun with better controll.. A really fun challenging game! for the price it is totally worth it! I don't think i have played a game like this ever before. It can be frustrating, but rewarding when you make progress. There is one glitch i found where you fall through the floor, but overall it plays really well.. This game is a masterpiece. I hate it.. This game was a piece of cake. Just kidding. It's the most frustrating game I have ever tried! xD You're for sure gonna rage quit a few times while playing it. There were parts where I struggled and when I finally got past them I glitched and had to go back to checkpoint oml I was so annoyed. I also glitched through the ground one time ughh. I wish there was a way to go back to chapters too because I forgot to take two of the achievements. I'm recommending it because I'd love for ya'll to suffer through it like I did.. u041fu0440u043eu0448u0435u043b u0432u0441u044e u0437u0430 15 u043cu0438u043du0443u0442. u0423u0431u0438u0432u0430u043bu043au0430 u0432u0440u0435u043cu0435u043du0438 u0438 u043du0435u0440u0432u043eu0432.
