About This Game

Scrunk is an online team-based building and raiding game. Fight off mechs and infiltrate the enemy team's base while building up and defending your own.

build your base

Fortify your team's base with traps, walls, barbed wire and turrets to ensure your core block is protected at all times from incoming raiders.

raid the enemy

Scavenge scrap from mechs and world events to craft explosives, bombs and guns to destroy the enemy's core block.

fight for scrap

Dodge blast-zones or wait around to collect the scrap left behind. Fight off hordes of skitterers and shoot drones out of the sky to scavenge them for loot and scrap.

Climb the ranks

Win matches to increase your global player rank. Advance from a mere Duster to a revered Junklord.

Free For All

An alternate solo mode with our unique take on the Battle Royale format.

I'd love to play this. The idea looks grand, however it is multiplayer only and there are 0 players online in the middle of the day (US) on a Sunday. Hopefully it gets more popular, but for right now, this isn't a game at all.. I'd love to play this.
